

The 2022 Calgary Stampede Poster Competition Submission Instructions

Thank you for applying for the 2022 Calgary Stampede Poster Competition! The following information is how to submit your application using the 2022 Calgary Stampede Poster Competition Submission Form. This document shows how your submission will be displayed to the judges.

Adobe Reader

The submission form has been optimized to work with Adobe Reader. Using another PDF viewer, such as Google Chrome or Preview, may cause your submission to not be completed.

The most up to date version of Adobe Reader can be found here, please make sure you have the latest version when completing your application.

Image cropping

For your images/documents to show up correctly on this form, you need to crop out the dead space around the image. Dead space is any unrequired parts of the image surrounding the item.

This applies to ALL image/document upload fields. (Proof of residency, artwork, reference letters).

If your submission contains items that are not cropped, making it hard to read or view, you may be asked to resubmit your entry. Your submission should fill the upload box as much as possible.
